Administrative Activities	Recruit and train new volunteers Support current volunteers Train TFL educators on updated/expanded program/materials Oversees prenatal vitamin program Establish and make relationships stronger with community agencies – making them aware of our prenatal vitamin program Keep Nurse Manager CPR certificate up to date and offer infant CPR to clients.		Health Resources has recruited volunteers through advertising on our social media page, talking to area churches and sending out mailings with volunteer opportunities. Educators are routinely trained on programs and materials as they pertain to the clients. This quarter a group of volunteers from a local church deep cleaned the center. The Nurse Manager and Nurse Educator oversee the prenatal vitamin program. Relationships with the community have been made stronger by updating the brochures and Pregnancy and New Baby materials given out at the local clinic. The Nurse Manager and Nurse Educator are up to date on CPR as well as 5 staff at Health Resources Center.
